

Detailed Program

*proceedings will start exactly at the times indicated in the program

17.00 - 18.00 **Welcome Drink / Sponsor: KIRIAKIDIS GLASS**

18.00 - 18.10 **Opening** - Organizer's Introduction

03.11
FRIDAY
AFTERNOON

SESSION 1: Glass & Architecture / Trends

Session Sponsor
VASGLASS

Discussion between architects, developers and Glaziers, aiming to highlight glass' architectural trends and needs.

Moderators: **Dr. George Iliadis**, Mechanical Engineer, **ilicon**
Spiros Kaligyros, Commercial Director **VASGLASS**

18.10 - 18.25 **Alexis Vikelas**, Architect, **Vikelas Architects**

18.25 - 18.40 **George Batzios**, Architect, Founder and Director of **Georges Batzios Architects**

18.40 - 18.55 **Nefeli Chatzimina**, Architect, Columbia University NYC, PhD Candidate at NTUA, Founder of **architectScripta**

18.55 - 19.10 **Michalis Papafilippou**, Civil Engineer, A.U.Th., Project Director at **TERNA**

19.10 - 19.25 Sponsors' Greetings - **SAINT-GOBAIN**, **GUARDIAN GLASS**, **VASGLASS**, **VLAIVANOS GLASS**

19.25 - 19.35 **Dr. George Iliadis**, Mechanical Engineer, **ilicon**
Spiros Kaligyros, Commercial Director **VASGLASS**

19.35 - 20.05 **Engineering Transparency**
Professor James O'Callaghan, FEng CEng BEng FStructE MHKIE, Founding Director, **Eckersley O'Callaghan**

20.05 - 20.20 **Q&As - Discussion**

20.20 - 21.00 **GLASS FORUM Awards Ceremony** / Awards' Sponsor: **VASGLASS**

09.00 - 10.00 **Participants' Entrance**

10.00 - 10.25 **Opening - Announcements - Greetings**

04.11
SATURDAY
MORNING

SESSION 2: Market's & Constructions' Future

Session Sponsor
VASGLASS

Speeches aiming to predict the international and Greek market trends, especially in the construction industry.

Moderator: **Socrates Xanthopoulos**, CEO **Energy Marketing** - Organizer

10.25 - 10.40 **Technical world, real estate, and construction sectors are changing based on digitization and resilience.**
George Stasinou, Civil Engineer, President of the **Technical Chamber of Greece**

10.40 - 10.55 Sponsors' Greetings - **iGLASS**, **KIRIAKIDIS GLASS**, **ROMBOS**, **YALODOMI**, **SABATHIANAKIS GLASS**, **KAZA HELLAS**

10.55 - 11.10 **Developments & Prospects in the Economy**
Dimitris Nektarios, Financial Advisory Head of Project Finance & Projects at **Deloitte**

11.10 - 11.25 **Construction and Real Estate Market, Challenges & Trends**
Olga Itsou, Chief Operating Officer at **DIMAND AE**

11.25 - 11.45 **Presentation of the ELEMENT Project - Contemporary glass' architectural needs**
Rena Sakellaridou, Architect, **RS SPARCH**, Professor at **AUTH**

11.45 - 12.00 **Q&As - Discussion**

12.00 - 12.40 **Coffee Break** / Sponsor: **VASGLASS**

12.40 - 12.45 **Conference Opening**

SESSION 3: Glass and Sustainable Development

Theme Sponsor
PAP SAFETY GLASS

Speeches aiming to answer how glass companies will respond to customers' and architecture's rapidly growing demands for sustainable constructions.

Moderators: **Dr. George Iliadis**, Mechanical Engineer, **ilicon**
Zachos Bellos, Head of Engineering Department at **PAP SAFETY GLASS**

12.45 - 13.05

The concept of Sustainable Development

Sandra Bär, Dipl.-Ing. TU-Munich / LEED AP BD+C / WELL AP / DGNB Consultant Head of Sustainability, **DIMAND SA**

Angelos Entmons, Senior Sustainability Manager, MSc in Energy / MBA / LEED AP BD+C & O+M, **DIMAND SA**

13.05 - 13.15

Sponsors' Greetings - PSG, ilicon, i-BUILD by Ariston Glass, SIFAKIS GLASS, INAL - INTERMETAL, ALAFROPATIS GLASS

13.15 - 13.30

Sustainability and Architecture

Aris Koliopoulos, Senior Sustainability Consultant **DCarbon**

13.30 - 13.45

Recycling glass through founding: a new, sustainable, architectural expression of glass

Phaedra Economopoulou, Assistant Professor, member of the research group Restruct Group (Sustainable Architectural Materials & Structures), School of Architecture, **University of Delft** (TU Delft) - The Netherlands

13.45 - 13.55

Saint-Gobain's Contribution to Sustainability

Marion Portenseigne, Specification Director - BU Glass Façade, **Saint Gobain**

13.55 - 14.05

How does Greek glass processing contribute to sustainable development?

Dr. George Eliadis, Mechanical Engineer, **ilicon**

Zachos Bellos, Head of **PAP SAFETY GLASS** Engineering Department

14.05 - 14.20

Q&As - Discussion

14.20 - 17.00

Light Lunch Break / Sponsor: **PAP SAFETY GLASS**

17.00 - 17.05 **Conference Opening**

SESSION 4: EVOLUTION - TECHNOLOGY - INNOVATION

Session Sponsor
KIRIAKIDIS GLASS

Speeches aiming to highlight technological advancements affecting the work of architects, material producers, technical companies, and glass artisans.

Moderator: **Dr. George Iliadis**, Mechanical Engineer, **ilicon**

17.05 - 17.15

Glass application's historical evolution in buildings over the time

Babis Kyriakidis, CEO **KIRIAKIDIS GLASS**

17.15 - 17.25

Environmental Stewardship in Action

Erion Sico, Architectural Design Manager, **GUARDIAN GLASS**

Onur Erturk, Sector Manager Commercial & Specialties, **GUARDIAN GLASS**

17.25 - 17.40

TOTEE «Safety Glass» & the Role of TCG in Writing Technical Texts

George Papadakos, Dr. Mechanical Engineer, EE Quality Infrastructure, TCG

- 17.40 - 17.55** «**Glazing and Building Energy Performance - National Regulations and Technical Guidelines** **Konstantinos Laskos**, President of the **Panhellenic Association of Certified Energy Inspectors, Energy Planning and Energy Saving** Consultant»
- 17.55 - 18.10** **Q&A's - Discussion**
- 18.10 - 18.50** **Coffee Break** / Sponsor **VLAIVIANOS GLASS**

04.11
SATURDAY
AFTERNOON

- 18.50 - 18.55** **Conference Opening**

SESSION 5: New Products & Applications - R&D

Session Sponsor
SIFAKIS GLASS

Speeches aiming to present research and development of new products and services in a demanding market context.

Moderators: **Nikos Malefakis**, Production Manager at **ROMVOS GLASS**
Manolis Sifakis, CEO **SIFAKIS GLASS** – General Secretary **P.O.E.V.Y. Panhellenic Federation of Glazing Traders & Craftsmen**

- 18.55 - 19.10** **Flex2Energy: Development of a Production Line for Flexible and Printed Photovoltaics**
Stergios Logothetidis, Associate Professor, Department of Physics, **AUTH**
- 19.10 - 19.30** **New Products & Applications**
Nikos Malefakis, CEO of **ROMVOS GLASS** & **Manolis Sifakis**, CEO of **SIFAKIS GLASS** - General Secretary of **P.O.E.V.Y. Panhellenic Federation of Glazing Traders & Craftsmen**
- 19.30 - 19.50** **Glass and the Digital Revolution – Applications and Trends**
Dr. Michel Prassas, Director of New Business Opportunities, **Corning European Technology Center**
- 19.50 - 20.05** **Q&A's - Discussion**
- 20.05 - 23.00** **Reception in the Exhibition area**

05.11
SUNDAY
MORNING

- 10.00 - 10.25** **Attendance of conference Participants**
- 10.25 - 10.35** **Opening - Announcements**

SESSION 6: Projects & Contributors

Session Sponsor
VLAIVIANOS GLASS

Presentation of projects by architects and engineers, case studies where glass has the leading role, serving the trend for more light, safety, and life quality.

Moderators: **Socrates Xanthopoulos**, CEO of **Energy Marketing** - Organizer
Giannis Vlavianos, CEO of **VLAIVIANOS GLASS**

- 10.35 - 10.50** **Presentation of SYNGROU AVENUE OFFICE BUILDINGS** - **Annoula Roussou**, Architect Engineer, Partner & Director **Diversity Architects**
- 10.50 - 11.05** **Presentation of CUBE BERLIN**
- 11.05 - 11.20** **Presentation of GRAND HYATT** - **Stathis Tryfonopoulos**, Architect, CEO of **DIARCHON ARCHITECTS S.A.**
- 11.20 - 12.00** **Coffee Break** / Sponsored by **INAL - INTERMETAL**
- 12.00 - 12.15** **Presentation of EVENT CENTER, AG. NAPA** - Representative of **J&A PHILIPPOU LTD**
- 12.15 - 12.30** **Presentation of METRO THESSALONIKI** - **Leonidas Kotoulas**, Civil Engineer, **AKTOR S.A.**
- 12.30 - 12.45** **Presentation of LOTZIA BUILDING, HERAKLION** - **Giannis Giannakoudakis**, Mechanical Engineer MSc, **Hellenic Mediterranean University**
- 12.45 - 13.30** **Q&A's - Discussion - Conclusions - Closing of Proceedings**
